Dear George,

Thank you so much for all your guidance and sponsor for our Winding Roads Country Festival! The tent was absolutely beautiful and your workers were very polite and professional. Together we raised over \$30,000 for our Mentoring Programs and we could *not* have done it without your support! We had a fabulous turnout of over 525 guests, a delicious dinner, and a fantastic line up of country music featuring Kris Barclay and The Road Hammers, a raffle, a silent auction, and a live auction, all on a beautiful warm summery night under a huge gorgeous tent at Adamson Systems Engineering.

Your kindness will truly allow us to continue to provide Mentoring Programs to more than 299 children and youth in Scugog, Brock and Uxbridge through local schools and our community! All of our programs strive to improve a child's personal growth, self-esteem, self-confidence and overall resiliency.

We are always looking for volunteers and committee members, so if you or someone you know may be interested; please do not hesitate to contact us at our office.

We are very grateful for your support and we look forward to a continued relationship with you. We will keep you posted on our next year's event!

Sincerely,

Margaret Ayres
