Dear George:

On behalf of The Parkwood Foundation, I would like to thank Gervais Party & Tent Rentals for its corporate sponsorship of our recent fundraising event *See You in September*. Your support was recognized in our evening program (see enclosed), and in our President's remarks from the podium.

George, your advice and support helped ensure a memorable experience for our guests from start to finish – with the beautiful setting you helped create. Our committees know they can always depend on your know-how, your thoroughness and frank advice in event planning, and they are never disappointed.

Thanks again George, until next time...

Yours truly,

Brian Malcolm, Executive Director  
The Parkwood Foundation
