Dear Mr. Ogston,

On behalf of the Rouge Valley Ajax and Pickering hospital, we would like to extend our sincere appreciation for your participation in the 2014 Mayors' Charity Golf Classic. Thanks in-part to your generosity, \$150,000 was raised to support the purchase of a C-arm portable scanner for Rouge Valley Ajax and Pickering hospital's orthopaedic and plastic surgeons.

Together, golfers, sponsors, attendees and silent auction donors have long supported the Foundation in its mission to provide equipment purchases that allow our medical team to provide the best possible treatment for our patients. We look forward to continuing the efforts of the Mayors' Charity Golf Classic's 20th year as well as inspiring more people to support the Rouge Valley Health System Foundation.

Without your hard work on the golf course and generosity in the workplace, the 19th annual Mayors' Charity Golf Classic would not have been a success or assisted the community in such an important way.

Regards,

Tracy L. Paterson
Vice President, Development
