Dear George,

On behalf of the 2016 Toronto Mandarin MS Walk organizing committee, I would like to thank you for your wonderful support of our Toronto Mandarin MS Walk.

I am so grateful to you and your team for all your help beforehand, meeting us to go over the layout plans, adjusting our order up until the last week, and for such a speedy set-up at the walk. You and your team are always wonderful to work with and our participants were extremely grateful to have those big tents this year to avoid the rain!

I am excited to let you know that in Toronto we have raised over \$565,000.00 so far! These funds are crucial for continuing to fund the best MS research in the world, taking place right here in Canada, focused on discovering the cause, improved treatments and a cure for multiple sclerosis. Funds also support services for those affected by MS in communities across Ontario and right here in Toronto.

The MS Walk is a celebration of the power we have to change the lives of Canadians with MS. By coming together at the Mandarin MS Walk and through the support of our community partners, we make a tangible and life-changing difference to thousands of people with MS.

We look forward to working with you again in 2017!

Sincerely,

Rachael Sedman
