Parkwood Benefit Gala 2014

Thank You George!

For helping to make Parkwood's signature event a smash success. By all reports it was a remarkable evening, and it's shaping up to be one of the highest earning gala events too—thanks in no small measure to your support.

There were a number of first time attendees this year, and what better introduction to Parkwood could they receive? Thanks for helping us make a good first impression, and for our regular supporters, helping to ensure the high-caliber experience they have come to expect.

Thanks again for your assistance and advice, and your generous support. Please extend our thanks to Cleveland & crew!

Yours truly,

Nancy Shaw, President
The Parkwood Foundation
