Dear George,

On behalf of the entire MS Society of Canada and all of the MS Walk organizing committees across Ontario, I would like to thank you for your generous support of the **2011 MS Walk!**

To date, more than **5 million dollars** has been raised across the province, and there are still a number of MS Walks to take place! The proceeds from the Walks will not only support breakthroughs in multiple sclerosis research but also provide services for people living with MS in the communities that you serve. Your organization's involvement means that you play a pivotal role in the Canada-wide movement to end MS.

This year we have witnessed unprecedented public interest in our cause. The coverage of topics such as CCSVI along with government initiatives like the national monitoring system for MS are positive steps in the movement to end MS and we are excited for what the rest of 2011 and beyond holds for the MS community.

The continued success of the MS Walk relies upon the unwavering dedication and munificence of our sponsors, therefore, please accept the enclosed 2011 MS Walk T-shirts and chocolates as a token of our appreciation and in recognition of your support. We look forward to continued support from Gervais Party and Tent Rentals and hope you will once again join the movement at the 2012 MS Walk on Sunday April 22nd.

Every step matters in the movement to end MS!

Thank you again George!

Warmest Regards,
